

# LETTER OF AUTHORIZATION

1. As manufacturers of the 15ppm bilge alarm type **BilgMon 488**, we hereby confirm that the following company (the "Company");

**Petrik Naval S.L.**  
**Crtra Termica SN**  
**Torres de Hercules , Torre.A,2,1**  
**CP 11379 Los Barrios, Cadiz, Spain**

2. is authorized to perform the calibration check referred to in section 4.2.11 of IMO Resolution MEPC.107(49) as revised by Resolution MEPC.285(70), and issue a corresponding calibration certificate, within the detailed guidelines and restrictions given separately by the equipment manufacturer.
3. Failure to comply with the manufacturer's guidelines and restrictions, or significant changes in ownership or personnel, may cause this authorization to be terminated.
4. Without affecting any other right or remedy available to it, Brannstrom Sweden AB may terminate this authorization at any time, with or without cause, on giving not less than 3 months' written notice to the Company.
5. Upon termination or expiry of this authorization, the Company shall immediately cease the performance of any calibration check or issuance of calibration certificate as described above. This paragraph shall survive the termination or expiry of this authorization.
6. This authorization letter revokes all earlier authorization letters and is valid from the date it is signed by the Company until 31 December 2023.

Date of issue: 21 December 2022.
